

RE MB Docket No. 04-233

I listen to KLOVE radio every day. I understand that the LPFM service you have recently introduced could jeopardize their ability to continue offering service in my area. KLOVE provides positive, encouraging music every day and it is the station I listen to most. Having it removed from the air would be devastating to me. It would be a terrible shame to have it replaced with any other station because many stations do not offer music that improves the attitudes and spirits in the same way that KLOVE does. It is a station that many young people love to listen to and if we don't have KLOVE they would be more likely to listen to trash like EMINEM which is destructive to a community because it encourages drug use, violence and crime. KLOVE supports wholesome family values and has a positive and encouraging impact on my community. Please do not let it be forced off the air in any area that they serve.
